Account Description	
Kasasa Cash®:	A free, variable rate share draft account with no minimum balance that rewards accountholders with dividends and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycles.

Austin FCU's Expectations	
Purpose & Expected Use:	<p>The Kasasa Cash account that is linked to Kasasa Saver account is intended to be the accountholder's primary share draft account in which payroll transactions and <u>day-to-day</u> spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle <u>are not</u> considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and <u>will not</u> count toward earning the account's rewards.</p> <p>Austin FCU reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different share draft account or closed altogether. We also reserve the right to convert the account to a different share draft account if the account does not have consistent active use over three (3) consecutive Statement Cycles. The linked Kasasa Saver account will also be closed if the Kasasa Cash account is converted or closed.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us, including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. An Austin FCU check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash or Kasasa Saver account, any optional add-on products / services associated with these accounts will also be terminated at the same time.</p>
Dividend Rate & Annual Percentage Yield	
Compounding & Crediting:	Dividends will be compounded on a monthly basis. Dividends will be credited to your account on the last day of the current Statement Cycle. If you close your account before the dividends are credited, you will not receive the accrued dividends. Dividends begins to accrue on the Business Day you deposit noncash items (for example, checks). "Business Day" means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.
Balance Computation Method:	We use the average daily balance method to calculate the dividends on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. The period we use is the Statement Cycle.
