★ DAVID W. PETERSON ★

David has been a member of Austin FCU for close to 30 years. He is retired from the VA Technology Acquisition Center here in Austin. He holds a BSEd from the University of Kansas, an MPA from the University of New Mexico and Certificates of Procurement & Contract Management from the University of Virginia as well as a Masters Certificate in Project Management from George Washington University. David is an advocate for the credit union movement, and sees the opportunity to serve on the board as a way to give back to the credit union and its membership.

★ CHARLES CHAHDA ★

Charles is the CEO of John's Food Mart, LLC. He has gained a wealth of knowledge in running a business, and handles cash and checks on a daily basis. John's Food Mart is located only a few blocks from our office, where it serves the needs of many people of our community. Charles is interested in serving the community as a whole, and is especially interested in the community in the immediate area. Charles's knowledge of what a business needs to survive and prosper have been invaluable in helping the credit union grow. Charles continues to bring his unique perspective to the Board, and has contributed greatly to the successful on-going operations of the credit union. Charles's other interests include swimming, working out at the gym, and playing with his three children.

★ RICK BEYER ★

Rick worked for the Federal Government with the United States Air Force and Department of Veterans affairs for over 40 years, including positions in Information Technology and Supervision. He has been a member of Austin FCU for over 35 years, and he and his family have had many positive experiences with the credit union over the course of that time. Rick enjoys being a part of seeing Austin FCU maintain a close relationship with its members and grow even more in the community it serves. Rick also serves on the Board of Directors for the Neuropathy Alliance of Texas (NATX) and as a support group coordinator for one of the three support groups sponsored by NATX. In his spare time, he likes to travel to see his grandchildren, who are in San Antonio, Dallas and Houston.

★ AMY ACUÑA ★

Amy has been a member of Austin FCU for over 30 years. She is a native South Austinite, and graduated from Concordia University with a BA in Business Management in 1995. Over the past 20 years, Amy made a career in financial service companies, most recently at Ebix CRM in the Support and Training Services division as a trainer. She has been a volunteer for the Austin FCU Supervisory Committee since 2016, where she helps oversee credit union operations. She also volunteers with the Austin Public Library as a circulation assistant and is a volunteer barista at the Pomegranate Cafe at St. Catherine of Siena Catholic Church. Austin FCU was Amy's first bank account, and she is a strong proponent of our local credit union. In her free time, she spends time with her husband and 2 sons, both of whom she has encouraged to always choose a credit union over a bank.
