Loans must have a minimum six-month payment history to qualify for the Skip-A-Pay program. We must receive this request at least 3 days before your payment due date. This agreement must be signed by all signers of the loan agreement. Members are limited to two extensions per loan in a one year period and must have made six consecutive payments since the last skipped payment per loan. All of your loans at Austin FCU must be current with no collection action pending. Any credit life and/or disability insurance on the loan will extend beyond the original maturity date of the loan(s). If you have Guaranteed Asset Protection (GAP) on your loan, skipping a payment may affect coverage benefits and we may deny your application as a result. All other payment terms of your Loan Agreement/Promissory Note will remain in full force and effect. To obtain a copy of this form, visit www.austinfcu.com/skipapay.pdf. Other restrictions may apply. Refer to the account and loan disclosures and agreements. Contact us at 512.444.6419 or 800.950.8143 or stop by the branch for any questions you may have.

For payments you generate (for example, payments you set up with a bill payment service, payments initiated at another financial institution, etc.) you are responsible for stopping the loan payment for the month you wish to skip. Any automatic transfers generated by Austin FCU will be suspended for the Skip-A Payment month. We must receive this request at least 3 days before the automatic payment date.
